The Reason We Get Steppin'

Imagine a snowy winter day with no warm home to go to but living on the street in the blustery cold with little or no food or money. How would you stay warm? How would you secure employment? How would you obtain the services you need? These are the challenges that face many homeless members of our community on a daily basis.

This is why we Get Steppin'

We Get Steppin' to provide homeless people with not only food and shelter but an opportunity to turn their lives around and become self-sufficient.
