

About the Race

This event combines the disciplines of running and paddling.

One may do both the running and paddling solo or with the help of a teammate or two. The race begins with a 4K trail run, followed by a 4K flat-water paddle and finishes with a 40 meter dash (portage) to the finish line. One may use a canoe, kayak or S.U.P. on water.

This Run-Paddle Biathlon is the brainchild of Tom Walton who founded and managed the event for The United States Canoe Association for many years.
